Z/OS SYSTEM PROGRAMMING: IBM COMMUNITY & THIRD-PARTY RESOURCES

Github IBM/IBM-Z-zOS. IBM employee-managed repository of information about z/OS.

<https://github.com/IBM/IBM-Z-zOS>

Note: The PDFs in this repo will not open properly because of special code Github inserts into them in a well-intentioned effort to be helpful. You can download (rather than clone) the repo, and the PDFs will open normally. You can also clone the repo with the lfs option and they will open normally.
